DESCRIPTORS	Elementary Secondary Education; Foreign Countries; *French; *Immersion Programs; Institutional Characteristics; *Language Enrollment; National Surveys; Native Language Instruction; Parent Associations; Program Design; Regional Characteristics; *Second Language Programs
IDENTIFIERS	*Canada; Canadian Parents for French; *French Language Schools

ABSTRACT

The directory lists French immersion programs at the elementary and secondary school levels in each province and territory of Canada. They are arranged alphabetically by province or territory, then by city or town within those categories. Data pertain to the 1995-96 school year. Information provided for each region includes general information on characteristics or regulations, regional director and president of the Canadian Parents for French (CPF), and registry contact person. Information on each district includes district contact person, CPF contact, availability of transportation, and characteristics of each school's program: program type (total or partial immersion; early, middle, or later immersion; continuing immersion; French first language programs accepting immersion students; dual track; immersion centers), and enrollment. A chart provides overall enrollment data (total, immersion, and percentage immersion for 1994-95, and immersion enrollment for 1995-96) and tracks immersion enrollment change for each province or territory. Information on CPF is also included. (MSE)

THE CPF IMMERSION REGISTRY 1996

INTRODUCTION

HOW TO USE THIS REGISTRY

In preparing this registry, Canadian Parents for French is providing families, educators, administrators, and researchers with the country's only comprehensive listing of immersion programs at the elementary and secondary levels. It is designed to answer the question: "What immersion programs are available in such-and-such a community?"

Finding a community

The provinces are arranged west to east, followed by the territories; cities and towns are arranged alphabetically within each. Each school board is presented according to the location of its head office with the exception of those in metropolitan areas, which are arranged alphabetically under the metro name. Because so many school boards include a number of communities in which French immersion is available, a complete cross-reference is provided for each province.

Regional variations

Please refer to the notes appearing immediately under each province or territory name. They contain information unique to that area, including geographic, program, and other data.

CAUTIONARY NOTE

This registry gives a "status report" on French immersion programs for the 1995/96 school year. Because programs change frequently, it is very important that interested parties make direct contact with the local administrators and/or parents to confirm the current program opportunities in the community in question.

We make every effort to ensure accuracy and to provide data which is as complete as possible. If you are aware of new information, we would appreciate hearing from you. Please write to the CPF National Office or the provincial Registry Contact.

This publication is available for purchase from the Canadian Parents for French National Office at $37 per copy (no GST, postage included). *Immersion Registry* mailing labels will be available as of September 1, 1996. Contact:
CPF, 309 Cooper St., Suite 210, Ottawa ON K2P 0G5
phone (613) 235-1481, fax (613) 230-5940, cpf@omnimage.ca

ACKNOWLEDGEMENTS

Only through extensive volunteer efforts could this information be gathered and brought up to date. We are grateful for such dedication on the part of our members.

The *Annual Report 1995* of the Commissioner of Official Languages and the Canadian Education Association's *Handbook (Ki-Es-Ki)* have been invaluable sources of information.

We also gratefully acknowledge the cooperation of numerous administrators in the provincial departments of education and school boards across the country and the financial support of the Department of Canadian Heritage.

Judy Gibson,
Registry Editor
July 1996

PROGRAM DESCRIPTIONS

T	Total Immersion — a program which initially has 80-100% of class time with French as the language of instruction.
P	Partial Immersion — a program which initially has less than 80% but at least 50% of class time with French as the language of instruction.
E	Early Immersion — a program at the elementary level, beginning in kindergarten or grade 1; most common is ET (early total immersion) — usually 100% of class time spent in the French language at the beginning, then phasing down.
M	Middle Immersion — a program beginning after grade 1 but before grade 6; French is the language of instruction at least 50% and initially perhaps 100% of the time.
L	Late Immersion — a program beginning in grade 6 or later in which French is the language of instruction at least 50% and initially perhaps 100% of the time.
C	Continuing Immersion — the continuation at the secondary level of any of the above programs; usually involves at least two or three subjects a year taught in French. Thus EC is the continuation of an Early Immersion program.
FFL .	French First Language — the provincial curriculum taught in French for francophone students; FFL programs listed in this registry accept non-francophone students.
DT ...	Dual Track — a school in which both French Immersion and the "regular English program" are accommodated.
IC	Immersion Centre — a school in which only Immersion (or Immersion and a FFL program) is accommodated.

[a] Does not include students for whom the regular language of instruction is French.

[b] Statistics Canada estimate.

[c] Unofficial figure provided to CPF by the Ministry/Department of Education.

[d] There were also 18,040 English mother-tongue students enroled in French schools in Quebec in 1984/85 according to the Ministère de l'Education, Department of Economic and Demographic Studies.

[e] Lloydminster is counted in both Saskatchewan and Alberta.

[f] Includes only progams in which French is the language of instruction at least 75% of the time.

BRITISH COLUMBIA

The Ministry of Education policy for B.C.'s French first language program, or "programme cadre," states that only francophone children and those students who have attended a FFL program (not French immersion) elsewhere have the right to enrol. Therefore, in accordance with the objectives for this publication, this program is not listed. For more information contact CPF British Columbia or the Modern Languages Services Branch, Ministry of Education, Victoria B.C. V8V 2M4.

The following are Ministry guidelines: Early immersion: 100% k-2, 80-100% 3, not less than 60% 4-7
Late immersion: 100% 6, 80% 7
Continuing immersion: 38-50% 8-10, 25-38% 11-12.

ATTRACTIVE NEW PAMPHLETS

Canadian Parents for French is proud to announce its new series of pamphlets on French second language education:

✓ Why Learn French? **✓ Choosing a French Program**
✓ French Immersion Q & A **✓ Core French Q & A**
✓ You, Your Child, and French
✓ You and CPF **✓ CPF and the Educator**

Single copies of the pamphlets are free, or they can be purchased at $10.00 for 50 from our National Office (postage and handling included, no GST). Canadian Parents for French, 309 Cooper St., Suite 210, Ottawa ON K2P 0G5. Phone 613-235-1481, fax 613-230-5940, e-mail: cpf@omnimage.ca.

ALBERTA

There are both public and private kindergartens in Alberta. Kindergarten is called Early Childhood Services (ECS), but for consistency is designated by a "k' in this Registry.

SUMMER = FUN IN FRENCH!

Throughout the country CPF groups organize summer activities for French immersion students. They provide opportunities to practice and improve French skills while enjoying non-academic activities.

Hey, it's a bear! What's "It's a bear" in French?

Call your nearest CPF contact person or the provincial / territorial office to learn about this summer's fun.

- **Family French Camps**
- **Day Camps**
- **Residential Camps**

ONTARIO

In Ontario there are two kindergarten years, called "junior" and "senior" kindergarten ("jk" and "sk"), for four- and five-year-olds respectively.

Ontario's former grade 13 courses have been replaced by "Ontario Academic Credits" (OACs). These university entrance courses are common to all secondary schools in the province; they may be taken during or after grade 12. In this Registry, "13" means that at least one French immersion OAC is offered. Contact the school boards for more information.

Some Ontario French first language (FFL) schools may accept non-francophone students, usually following an admission review.

Canadian Parents for French and Your Organization

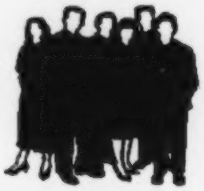
In 1980 CPF introduced an Associate Membership for Organizations in order to encourage the exchange of information, to promote cooperation, and to facilitate the use of CPF publications and resources by educational institutions.

Today, CPF is pleased to count among its members approximately 100 organizations, including preschools, elementary and secondary schools, boards of education, home and school associations, departments of education, and public, government, and university libraries.

In addition to exchange of information, a membership gives your organization the opportunity to endorse the goals and activities of Canadian Parents for French. By including your organization's membership in its own membership totals, CPF can indicate the extent of support throughout Canada for French second language learning.

For just $95/year your organization will receive:

- **up to 10 copies of the national newsletter, to be sent to your headquarters. Published three times a year, this newsletter includes up-to-date articles on recent research and current issues, resources, and happenings around the country;**
- **up to 10 copies of the newsletter of your CPF provincial organization;**
- **access to a Canada-wide information network.**



For more information contact your CPF provincial / territorial office or Canadian Parents for French, 309 Cooper St., Suite 210, Ottawa ON K2P 0G5. Phone 613-235-1481, fax 613-230-5940, e-mail cpf@omnimage.ca.

QUEBEC

Immersion has no official recognition in Quebec, but school boards are permitted to teach any subject in French. "Extended" core French programs beginning in kindergarten or grade 1 are also available in many boards.

Secondary school begins in grade 7. Levels 1 through 5 ("Secondaire I-V") correspond to grades 7 to 11.

"6 plus" or "7 plus" or "post 6/7" class: one year of total French immersion immediately after completion of the regular grade 6 or grade 7 ; identified in the Registry as "6+" and "7+".

PLEASE NOTE:

In Quebec many anglophone students register in French first language programs, and there are no restrictions on doing so. Because of their numbers, these programs are not listed in the Registry.

There are restrictions on which students may attend English (including French immersion) schools. You are urged to contact the nearest school board re eligibility requirements.

Private school. French programs offered pre-kindergarten to gr.11. DT

CPF and the Teacher

I didn't know algebra spoke French.

CPF recognizes the primary importance of the teacher in providing French education to our children. However, you are limited by the number of classroom hours and the curriculum which must be followed. CPF parents will help support your programs and build upon what is done in school.

Membership in Canadian Parents for French is open to anyone interested in furthering the goal of the organization: to provide educational opportunities for young Canadians to learn and use the French language. It is not limited to parents!

As a member, you will be in touch with others who are working toward the improvement of French programs and the maintenance of existing programs.

You will receive the informative national and provincial newsletters and may attend CPF conferences.

You will be providing needed support for French second language learning. Educational adminis-trators at all levels and the general public must know that there is strong support for core and immersion French programs.

Contact your local chapter or provincial / territorial CPF office to indicate your support. Or write to Canadian Parents for French, 309 Cooper St., Suite 201, Ottawa ON K2P 0G5. Phone 613-235-1481, fax 613-230-5940, e-mail cpf@omnimage.ca.

NEW BRUNSWICK

School boards are required to offer immersion if requested by a sufficient number of parents.

PLEASE NOTE: Several school districts provide bussing from communities to immersion programs. Parents are encouraged to consult with district CPF contacts and/or Coordinators or the CPF provincial office for more information.

CPF's new video

PROUD OF TWO LANGUAGES

Proud of Two Languages was produced by Canadian Parents for French to showcase young Canadians who are using French as their second language. The new generations of bilingual young people speak for themselves in this video about their hopes and dreams and experiences.

You will meet seven young people who are working, playing, and studying in French as well as English. They have learned their French through early immersion, core French and then late immersion, and in bilingual 50-50 programs. Their interests range from business to the arts, from international affairs to the professions. French is part of their lives.

What do they have to say about their experiences? Was it tough? At times, yes. Was it worth it? Let's let them speak for themselves...

length: 14:52 see ordering information on page 136

Proud of Two Languages

NOVA SCOTIA

A special intensive program is offered at several designated schools in the Acadian region. Anglophone children are sometimes accepted.

Kindergarten is called "primary: in Nova Scotia, but for consistency is designated by a "k" in this Registry.

Co-sponsored by the Ontario Institute for Studies in Education and Canadian Parents for French

The Trial Balloon that Flew is designed for 11- to 15-year-old students (grades 6-9) who are in a French immersion program. The booklet tries to answer two questions of major concern to these students:

- How well am I really doing, in French, in English, in my other subjects—in my overall intellectual development?
- What can I do to keep up my French once I graduate from an immersion program?

It provides a brief history of French immersion, an overview of research results (to 1983), and a section called "It isn't Over Yet" (26 pages).

Ideal for classroom discussions as students are making decisions about their future French studies!

$4.75 + handling charge ($2.50 for first book, plus 50¢ each book thereafter) plus 7% GST on all of the preceeding. ISBN 0-7744-0254-7 from:

SUMMER = FUN IN FRENCH!

Throughout the country CPF groups organize summer activities for French immersion students. They provide opportunities to practice and improve French skills while enjoying non-academic activities.

Call your nearest CPF contact person or the provincial / territorial office to learn about this summer's fun.

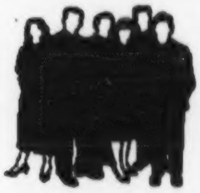
Canadian Parents for French and Your Organization

In 1980 CPF introduced an Associate Membership for Organizations in order to encourage the exchange of information, to promote cooperation, and to facilitate the use of CPF publications and resources by educational institutions.



Today, CPF is pleased to count among its members approximately 100 organizations, including preschools, elementary and secondary schools, boards of education, home and school associations, departments of education, and public, government, and university libraries.

In addition to exchange of information, a membership gives your organization the opportunity to endorse the goals and activities of Canadian Parents for French. By including your organization's membership in its own membership totals, CPF can indicate the extent of support throughout Canada for French second language learning.

For just $95/year your organization will receive:

- up to 10 copies of the national newsletter, to be sent to your headquarters. Published three times a year, this newsletter includes up-to-date articles on recent research and current issues, resources, and happenings around the country;
- up to 10 copies of the newsletter of your CPF provincial organization;
- access to a Canada-wide information network.

For more information contact your CPF provincial / territorial office or Canadian Parents for French, 309 Cooper St., Suite 210, Ottawa ON K2P 0G5. Phone 613-235-1481, fax 613-230-5940, e-mail cpf@omnimage.ca.

Canadian Parents for French

CPF is ...

... a Canada-wide volunteer network of about 17,000 individuals and families interested in the improvement of French second language learning opportunities for young people.

CPF's goal is ...

... to provide educational opportunities for young Canadians to learn and use the French language.

CPF operates ...

... through 200 chapters/sections in local communities, a branch in each province and territory, and a national association governed by a volunteer board of directors representing the ten provinces and both territories and an elected president and vice president.

OUR MISSION STATEMENT

As the national network of volunteers,

CPF provides educational opportunities for young Canadians to learn and use the French language;

CPF believes in tolerance, understanding, and mutual respect among Canadians;

CPF recognizes and supports English and French as Canada's two official languages and believes that young Canadians should have opportunities to become bilingual in these languages;

CPF's primary focus is to create and promote opportunities for young Canadians to learn and use French as a second language.

MEMBERSHIP IN CPF

Membership in Canadian Parents for French is open to anyone 18 years or older who subscribes to our goals: parents, post-secondary students, educators, administrators, researchers—anyone interested in furthering our objectives.

CPF is financially supported by membership fees; donations from individuals, foundations, and corporations; grants and contributions from governments (particularly the Department of Canadian Heritage). CPF is a registered charity.

Sorry - you want the Constant Partying Foundation. They're down the hall.
C.P.F.
Canadian Parents for French
CPF

YOUR MEMBERSHIP MAKES CPF ACTIVITIES LIKE THIS REGISTRY POSSIBLE!

CPF allows one or two names per family, over the age of 18 years, as voting members.

☐ New membership ☐ Renewal: *membership #*____________

CPF's new video

PROUD OF TWO LANGUAGES

CPF
Proud of Two Languages

Proud of Two Languages was produced by Canadian Parents for French to showcase young Canadians who are using French as their second language. The new generations of bilingual young people speak for themselves in this video about their hopes and dreams and experiences.

You will meet seven young people who are working, playing, and studying in French as well as English. They have learned their French through early immersion, core French and then late immersion, and in bilingual 50-50 programs. Their interests range from business to the arts, from international affairs to the professions. French is part of their lives.

What do they have to say about their experiences? Was it tough? At times, yes. Was it worth it? Let's let them speak for themselves...

length: 14:52

FACULTÉ SAINT-JEAN

Opportunities abound for Bilingual University Graduates

Faculté Saint-Jean, the French language faculty at the University of Alberta is currently accepting applications for enrolment in the 1996-97 calendar year in its B.A., B.Ed., B.Sc. and B.Ed. after degree programmes.

Over the years, Saint-Jean graduates have achieved great success in securing employment and in pursuing higher levels of education. The demand for certified teachers at immersion and francophone schools, and for bilingual or multilingual graduates for national and international companies remains high. Thus, our graduates enjoy many professional opportunities.

Many Government of Canada bursaries are available.

IS THAT SO?

HELLO
BONJOUR
SALUT
HI
BONJOUR

A good investment.
The boom seen in French immersion programs at the elementary school level during the past two decades has levelled off and remains steady. Teaching in English and in French promotes understanding and good will, and strengthens Canadian unity. Investment in language training is profitable for Canada's future.
